It's the most wonderful time of the year!

During this holiday season we hope all of you are able to enjoy celebrations with family and friends. For many, it is a time to reflect on all we have accomplished throughout the year, while looking forward to exciting opportunities in the New Year.

We enjoyed many successes in 2016, which would not have been possible without the support of our Abilities Team and our many community partners.

HERE'S A LOOK BACK ON 2016:

- Assisted 28 individuals in securing community employment;
- Supported more than 90 employees in community employment;
- Provided support for more than 350 individuals on a daily basis;
- Recycled more than 110,000 lbs. of electronic waste;

- Continued to expand volunteer opportunities in our communities;
- Expanded our Print Shop services and introduced Anajet Direct to Garment printing and training programs;
- Expanded technology throughout the organization with smart boards, tablets and smart tables enabling improved communication skills through social and recreational activities;
- Launched a new logo for Print Services -- PrintAbilities;

- Our employment services received the highest level of accreditation by CARF International for a period of three years;
- New Phillipsburg location purchased to provide expanded services and larger thrift shop/food pantry;

- Received community support from the DaVita Healthcare Partners, the Cathay Foundation and the George A. Ohi Trust;

- Received support from the John & Margaret Post Foundation and Christopher and Dana Reeve Foundation to purchase Smart Tables;
- Investors Foundation awarded Abilities a \$10,000 grant for educational technology;
- The Greenwich Autism Alliance awarded Abilities \$2,000 towards the ACES program;
- Launched a new logo and tagline.

We look forward to another successful year and hope to have your continued support!

It's not too late... end of the year giving is a great way to support our mission before Father Time celebrates with Baby New Year!
